

**M-Line Multi Media Rotor Stands**

3/4" thick fiberboard bases with melamine laminate surfaces and PVC edge banding  
Display your multimedia materials for easy patron selection using single-, double- and quad-tower rotor stands. Each display is 69-1/2"H with 60"H towers featuring 6 tiers of rotating polystyrene shelves. Oversized paperbacks, videos, DVDs, or audio books that measure up to 8-7/8"H are stored spine-out in 4-1/2"W x 4-1/2"D compartments for easy view of titles. Towers are mounted on tip-proof 11"H base.  
Single Display has a capacity of 168 DVDs, 72 videos, & 150 books  
Double Display has a capacity of 336 DVDs, 144 videos, & 300 books  
Quad Display has a capacity of 722 DVDs, 288 videos, & 600 books

**Revolving CD Spinner**

Particleboard construction with laminate or painted surfaces  
Keep CDs neatly organized and visible with free-standing display units. Choose woodgrain laminate or powder-coat paint finish. Displays rotate a full 360° on a sturdy, 15"H base. Shelves can be adjusted every 3/4" to store videos, cassettes, DVDs or CDs. Pockets measure 2-3/8"W x 4-1/2"D. The 10-tier large spinner has 8 pockets per tier for a total of 80 storage pockets to hold up to 400 CDs in jewel cases. Each storage tier has a 1/2"H lip for label holders. The compact spinner has 9 tiers with 8 pockets per tier giving you 72 pockets of storage space for up to 360 CDs. Optional 3/4"W clear self-adhesive holders classify media in each pocket. Top canopy available in white only.
