The look of hand-painted lettering without the expense of an artist

Surround your patrons with empowering quotes and familiar phrases! Pre-cut, pre-spaced, black vinyl lettering comes on rolls that can be applied to any smooth surface in 3 simple steps:

1. Peel off the backing paper and position the lettering on the wall.
2. Using a bone folder or your fingers, press over each letter, moving from the center and working outwards.
3. Carefully peel back the top transfer paper to reveal the lettering.

To remove, simply warm the lettering with a hair dryer and peel off (not reusable). Choose from a wide variety of quotes and phrases. Each quote measures 3-1/2"H and 45-50"W, depending on font size. Phrases come pre-cut on a single roll but can be cut easily to allow for any arrangement you'd like.
